Super Fun 21 is a unique variant of blackjack that offers exceptional payouts on various hand combinations. It is played to a different set of rules than the original game which adds to the excitement. This fabulous game can be played at the reputable 7 Sultans Online Casino for gain and major entertainment.

A regular deck is used for game-play and once you are familiar with the rules you will find game-play straightforward and easy to understand. The game is brought to a conclusion when you win by hitting a hand equal to or close to twenty-one or by the busting of the dealers hand. You can use a sound strategy and solid game-play to win and a variety of options like splitting, doubling down and more can be used.
