Bar Bar Black Sheep - Casino: Classic Slot Machine Games

Visit [7 Sultans Casino](http://7SultansCasino.com) to play the game

Bar Bar Black Sheep is a superb slot that will give you hours of perpetual entertainment. You can also gain rich rewards when spinning the radiant reels. It base on a nursery rhyme that originated in Britain during the middle ages; some argue that it was created as a political satire that referred to the Plantagenet King Edward I, and his authorization to collect tax at every port in the country on all exports of wool.

At that time, the country's economy was dependant on the wool industry that made lots of money. The wild icon is of course the Black Sheep and in combination with the multiplier value it possesses after finalizing a win it can hugely increase the payout value.
