Cosmic cat is a classic slot machine that is extremely easy to play as it only has three reels and a single pay line. This is a 2 coin slot which means that unlike other games there are no additional calculations needed.

The reason because every 2 coin payout is just doubled the single coin payout. The theme of the game is a cat and a mouse in outer space and the objective is to get 3 cat icons on the pay line to win the jackpot. The cat icon also acts as a wild icon which can substitute the other icons to form a winning combination. Other icons include a mouse, aliens as well as green BAR icons.
