Interesting facts that can touch up your crocodile trivia knowledge, before indulging in the exhilarating Crazy Crocodile slot, includes that these large aquatic reptiles live in tropical freshwater habitats throughout the world. Diets consist mostly of vertebrate like mammals or invertebrates like crustaceans.

They are of an ancient pedigree and some believe that since the time of the dinosaurs little has changed. Crocodiles managed to survive massive extinction events and could be as old as 200 million years. When spinning the reels of this superb slot that is about these fierce creatures you will notice that the wacky crocodile is both scatter and wild, which means it can accumulate vast amounts in prize money when appearing on the reels.

There is a payout table that displays the payout value of each winning sequence display on the interface.
