Visit [7 Sultans Casino](https://www.7sultans.com) to play the game

Play Craps at 7 Sultans Online Casino for major entertainment and lucrative rewards. It is a stunning gambling game that can be quite simple and straightforward or very complicated, just as you prefer, it all depends on the wager that you decide to play.

You can enjoy many advantages when playing Craps online.

The first roll of the dice is the “Come out Roll” and is made by the Shooter, but you have to place your Pass Line Bet beforehand and all depends on this roll. This wager is an instant winner if the roll happens to be either a seven or eleven and instantly lose when it is a two, three or twelve. The remaining numbers become points and if a shooter rolls points the rolling of the dice must continue.

It is an extremely interesting game to play and you will find the rules and game-play described in detail on the interface of the game so that you can be thoroughly informed before attempting to play.
