Keno is a very interesting and likeable game that from its early Chinese heritage to 7 Sultans Online Casino has come a long way, to take the online world by storm as one of the top rated and leading gambling games ever. Novice and experienced players alike will enjoy the ultimate excitement of Keno.

A complete guide is provided for your convenience so that you know exactly what you are in for from your first bet. As far as game-play goes it is an easy and unique game that is similar to playing lottery and Bingo. It is played on a board comprised of 80 numbers and your aim is to predict as many of the up to twenty numbers that are randomly selected in each round as possible. When the numbers match you win.
