In the Lots a Loot 5 reel slot game winning basically takes care of itself. This is because all the icons that you will come across on the 25 pay lines have something to do with luck and help to increase the amount of the progressive jackpot.

This huge jackpot can be attained by wagering 10c on all 25 pay lines and getting 5 Lots a Loot icons on the 25th line. Some of the other icons you will encounter are four leaf clovers, a pot of gold at the end of a rainbow, luck sevens and high ranking poker card values.
