Visit [7 Sultans Casino](#) to play the game

The Americans adapted the British game Brag to 3 Card Poker (Also named Tri-Card Poker). Two games are being combined into one namely the Ante and the Pair Plus.

They can be played separately or as one game. You can use a standard deck of 52 cards when playing 3-card poker. In the Pair-Plus game there will be prices for various hand groupings.

There will be regular and bonus payouts for the Ante game. The value in your hand will determine the amount to be paid out. The higher value in your hand, the higher will be the amount to be paid out.
