Visit [7 Sultans Casino](http://7SultansCasino.com) to play the game

One of the most original forms of online video poker, Bonus Pai Gow Poker will keep you rewarded and entertained for many hours at 7 Sultans Online Casino. It is based on a regular game but you will need to understand the Joker's function and the bonus payouts in order to truly enjoy the unlimited action.

The Joker is not to be used as a wild card but it can finalize a Royal Flush, Straight Flush or a Straight, if it can complete these combos it will count as an Ace when in hand. Bonus bets can be placed at the same time as the regular bets and if you manage an excellent seven card hand you can expect a bonus payout.

Your objective when playing the main game is to create two poker hands with your cards a High Hand and a Low Hand with a higher combination value than the Dealer's in order to win.
