It's time for a surfing safari with the wet and wild Big Break slot machine game. Join some mischievous primates while you surf your way to great winnings.

You will meet gorillas, orang-utans, Lemurs and Gibbons on the five reels and twenty five pay lines. The Big Break wild icon can substitute other icons in the game and the Lucky Break wild icon will multiply all winnings in the sequence that it finalizes.

By getting 5 monkeys on a single line you will activate the bonus game where you can grab a surfboard and ride the waves to multiply your winnings by up to 50 times.
