Microgaming has outperformed competitors once again in this fiercely competitive industry, by designing a funky and different online video slot machine game with bowling alley theme. Graphics is vivid and refreshingly subtle.

Bob is an outrageously funny, fat and bald character and Babs is a riveting bowling women's leaguer with extremely long hair. The suit icons and numbers presenting are extremely creative, and the sound quality is also extraordinary satisfying. Bob's Bowling Bonanza online casino game is an engrossing and exciting video slot machine game.

This is a 5-reel and a 30 pay-line online game. There are 5 rotating reels that form winning sequences for dedicated players.
