Cash Splash 5 Reel is a fantastic update to the original 3 reel version. While maintaining the original BAR, Seven and Cherry icons, new icons like high poker card values have been added to increase the fun.

A scatter icon can be found which will multiply the total bet by 4, 50 or 250 times when 3 or more appear anywhere on the reels.

There is also a wild icon which replaces all other icons except the scatter and also pays out the huge progressive jackpot when all 5 appear on an active pay line. You will however need to bet the maximum of 15 coins in order to qualify for the progressive jackpot.
