In the Chocolate Factory video slot game the Doctor Chocolate is the wild symbol. This symbol can serve as a substitute for all the traditional chocolate icons to complete winning sequences.

The Doctor Chocolate wild symbol does not change the Candy or Mikey icons, the Confectioner scatter symbol to complete winning scatter sequences, the Bonbon Box figure which activates the Bonbon Box Bonus Feature game and the Dunk-a-Treat icon which activates the Dunk-a-Treat Bonus Feature game. Multiple Doctor Chocolate wild icons on an active pay-line will create Doctor Chocolate icon winning sequences.

Only 1 winning combination could pay out per pay-line. If more than 1 possible winning sequence appears on a pay-line, the player gets the value of the highest sequence only.
