This game may be based on a story that is told every Christmas, but at 7 Sultans casino you can play the Scrooge slot machine game any time of the year. Our friend Scrooge has learnt the error of his ways and is ready to share his fortune with you.

The Scrooge logo is the jackpot icon that can give you 6000 coins if all five land on an active pay line. It is also a wild icon that will replace missing icons to complete winning pay lines. Three or more door knocker icons anywhere on the reels will take you to the bonus game.

In the bonus game, you get to place a Christmas dinner in front of Scrooge and each of his four friends. You can win up to 20 times your bet depending on which dinner is consumed the quickest.

The free spin bonus game is not activated in the usual way. With each spin you get to click on a winning icon that will either give you a calendar day or a future free spin. If you are able to count down to Christmas using your calendar days, you will win the

amount of free spins that you collected.
